### **How and when do I apply?**

- Applications for Event Sponsorship funds must be received by MDDC a minimum of two months prior to the event, but those seeking funds are encouraged to submit funds as much in advance of the event as possible.
- Applications for Event Sponsorship funds should be submitted in time to allow for MDDC sponsorship to be included in event materials.

### **How and when is funding provided?**

Event Sponsorship funds will be provided by check within one month following approval of the funding request, dependent on the availability of MDDC funds.

## **Requirements**

- Recognition of MDDC support must be included, as appropriate, in all materials related to the event.
- If exhibitor/vendor tables are available at the event, MDDC will be provided with one at no additional cost.
- If the event involves a participant fee, organizers must make it available to persons with developmental disabilities at reduced or no cost.
- Complete and submit an Event Outcomes Report following the event.
- Provide copies or results of any satisfaction surveys or event evaluations.

## **What is the process for reviewing applications and awarding grants?**

When an Event Sponsorship request is submitted:

- Designated MDDC staff review the application to verify that it is complete and all required information is provided. If an application is not complete or does not meet all requirements, the applicant will be notified and provided the opportunity to correct the application.
- Applications that meet all requirements will be reviewed and evaluated by a designated MDDC committee.
- The committee reserves the right to approve an application at a different level of funding than requested or to offer provisional approval of an application.
- The committee reserves the right to require the applicant to participate in an interview and/or provide additional information.
- In evaluating an application, the committee will take into consideration:
  - Availability of MDDC funds
  - The purpose of the event and how it relates to MDDC's mission and State Plan
  - The intended audience and the potential positive impact for people with developmental disabilities
  - Other relevant factors as appropriate

Priority will be given to:

- Applicants who have not previously received funding from MDDC
- Events that directly relate to one or more goals and objectives within MDDC's State Plan
- MDDC reserves the right to deny any application as it sees fit.
- Applicants who are not approved for funding will receive a notification of that decision and, when appropriate, an explanation for the decision.
- Applicants who are approved for funding will receive notification of the approved funding amount and any provisions or requirements related to the award along with an Award Acceptance form to be signed and returned to MDDC.

## **Other Important Information**

MDDC retains the prerogative to make exceptions to any policy requirements or require additional provisions on a case by case basis.
